What is SHIP and it's benefits?

The Sacred Heart Incentive Program, also known as SHIP, allows families to purchase certificates from grocery and retail stores, restaurants and other miscellaneous vendors through Sacred Heart School. The merchants/vendors sell the certificates at a discount to Sacred Heart School. Sacred Heart School sells the certificates at face value to participants and then deposits the difference into an account for each participant to be used for tuition reduction for the following year. Sacred Heart School has determined the primary purpose of this program is to provide tuition relief for our school families. It has been the experience of other Catholic and parochial school families that the benefit of this program can be very significant.

How does SHIP work?

Each vendor establishes the discounted percentage at which they will sell the certificates to Sacred Heart School.

Example: Red Lobster gives 9%. If you order \$100 in Red Lobster gift certificates, you will receive an \$8.00 tuition credit and \$1.00 goes to the school (this usually helps pay for the cost of shipping for this program).

Who can participate?

Enrollment is open to all Sacred Heart parish and school families. You must fill out an enrollment form and designate the account to be credited. Parishoners may select a family to be credited for their purchases or the money will go the school's general fund after the cost of shipping is paid for.

Credits:

Credits accumulate from July 1 - June 30 of each year. All participating families will receive a credit slip at the end of June. All credits will be credited to the appropriate tuition account for the following school year.

SHIP GENERAL POLICIES

The purpose of the Sacred Heart Incentive Program is to provide Sacred Heart School families the opportunity to reduce their annual tuition.

Sacred Heart School reserves the right to terminate SHIP at any time.

Sacred Heart School reserves the right to change the General Policies at any time.

Sacred Heart School is not liable for lost or missing certificates.

Purchasing S.H.I.P.

List of vendors:

Request list at the office

Print list at www.glscrip.com

Order Forms:

Request order forms at the office

Print order forms off at

www.sacredherthudson.org/ship.html

Order online:

Place weekly orders online at www.shopwithscrip.com
our charity code is **4C597A121919**.

Scripnow: a new program where you can order S.H.I.P. from select vendors and receive a printable gift certificate immediately when you use presto pay. These type of orders may also be placed without presto pay, but you will not receive the printable until the S.H.I.P. manager places the order.

Reload: a new program where you can add money to a gift card you already have through S.H.I.P with select vendors.

Please go on to www.shopwithscrip.com for more details on the online purchasing.

The S.H.I.P. manager will place one order a week. Orders must be placed and paid for by Monday 3pm. Scripnow and Reload are set up differently, these orders will be placed as soon as the office has received payment.

Checks must be written out to S.H.I.P.
