

PARENT GROUP PRESENTS: TRASH INTO CASH!

It is AMAZING the amount of money and items we can bring into this school just buy saving items that are normally thrown away! We would like to summarize what we all collect here for Sacred Heart School. The Parent Group manages these rewards and works with the teachers and the principal to determine what the current needs are for the school.

BOX TOPS: This most popular school reward program is a GREAT way to keep money flowing in for items that we need.

This money goes to the school fund. Save Box Tops on products that you already buy, like tissues, trash bags, baggies, cereal, snacks and many more. Brands are continually added so before you toss out your next, check the label for a box top.

HOW TO COLLECT: Trip the box tops, place in zip lock bag in amounts of 50 or use collection sheets (summer sheets attached).

Labels for Education: This is the popular “Campbell's Soup” program, but MUCH MORE! Logos

and UPC codes can be found on products by Franco-American, Pepperidge Farm, Swanson, Market Day, V8, Prego Pasta, and Campbell's. **HOW TO COLLECT:** Trim the “Label Point (including barcode) or look for the icon on select items. Place in zip lock bag in any amount and label how many are in the bag, or use collection sheets (see attached). Please watch the expiration date on these labels. We can use these “points” to purchase gym, art and technology supplies!

JUICE POUCHES: This is a new program we started last year and help funds the Parent Group while also teaching the students to

recycle. TerraCycle makes new items out of these pouches! **HOW TO COLLECT:** place in Red Collection Wastebasket in Church Hall. **NOTE:** They accept ANY BRAND of Juice Pouch!

SPARTAN UPC CODES: With our neighborhood Spartan Store here in Hudson, it is easy to save up a lot of these labels! They pay 2 cents per barcode and this money goes to the school. **HOW TO COLLECT:** Place in bag or envelop and label the # in the bag.

AUNT MILLIES' SPIRIT OF

EDUCATION: Turn all that bread into real “dough” for our school! See attached

sheet for info on some specific brands. **HOW TO COLLECT:** Just clip the “SPIRIT OF EDUCATION” icon with the barcode and send in a bag or envelop with # in the bag.

TYSON A+ For Schools: This program is newer and give us 24 cents per label! All that meat can really add up! **HOW TO COLLECT:** Clip the top part of the bag/container with the A+ icon. Send in bag or envelope.

MY COKE REWARDS: We have been doing this program for just over a year - Points can be used for sports

equipment, art and music supplies and other fun items! **HOW TO COLLECT:** You can turn the bottle caps and box codes into the school bin, or donate them yourself by visiting www.mycokerewards.com and find Sacred Heart by City and add it to your list.

MEIJER: Link your Meijer One Card (free) to our school and they will donate .05%-1% of your purchase (dependent on payment method.)

**ALL OF THIS FUNDRAISER INFORMATION IS AVAILABLE ON OUR WEBSITE:
www.sacredhearthudson.org – find it under Parent Group.**

Any suggestions or questions, please contact Parent Group! Thanks for your help..it ALL makes a difference!
