Sacred Heart School

The end of the 2021-2022 school is fast approaching. It is always an exciting time when the weather is warmer and we can take the classroom outside. The students have been reading on the front steps and writing their spelling words in chalk on the blacktop. Our 4th-6th grade students spend time working on community service projects. We have cleaned up the school and church grounds after a long and windy winter. They have also weeded the property and prepared the grounds for a new refreshed summer look.

The 4th-6th grade students will be attending Kimball Camp in a few weeks where they can pray together and challenge themselves to take risks on the high ropes, the giant pendulum and the rock wall. It is a great experience for the students to face their fears and encourage each other to have courage.

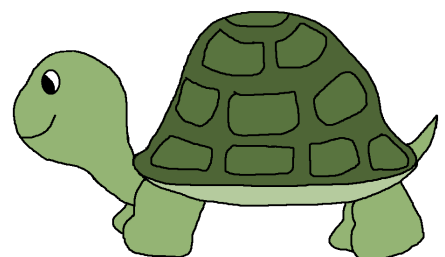

The end of the year also brings graduation for our PK and kindergarten students. We take the opportunity to tell our students all that they have accomplished and celebrate each day that they have grown smarter, stronger, kinder and closer to God. It is a beautiful Mass that we share with their families and it is one of my favorite days of the school year.

Our 6th grade students say goodbye to Sacred Heart and look to a new school for the Fall. We are so excited for each of our graduates to take all that they have learned during their time at SHS and continue to grow at a new school. 6th grade graduation is a time when the teachers, staff, and fellow students can share how much each graduate has meant to us. This is always a sentimental and heartfelt Mass.

We are rapidly coming to the end of another year at Sacred heart school. We have been so blessed by your prayers and generosity this year. As SHS continues to grow, we are committed bringing our students and families to church. Please continue to pray that we are able to fill each student's soul with the love of Jesus Christ.

God Bless,

Anne Atkin, principal

We need volunteers

Sacred Heart 5K

8:00-10:00 a.m.

Saturday, May 29th

Contact Anne if you can help direct the runners on the course or help runners register. It is easy and a lot of fun!

Please consider sponsoring the SHS 5K.

It is \$75 dollars and the money goes directly to support Sacred Heart School.

Thank You!
